Welcome to the Caddie Program at Minnesota Valley Country Club! We have developed a Caddie Program that is recognized by the Minnesota Golf Association as one of the “BEST IN MINNESOTA”. It is an outstanding opportunity for young people in our area, an excellent program for summer employment and provides opportunities to be associated with other young people in a wholesome environment on a beautiful golf course with select clientele. We are pleased that you have the desire to participate!

For many of you this will be your first job. It is important to remember golf is a game, but caddying is a job in which you are performing a service. The better the service you give, the greater your reward. Unfortunately, not all candidates will continue as a caddie this season. For some, it may not be the right job, while for others; it is the perfect summer job! Successful caddies know the guidelines, follow the caddie program rules and read their Manuals.
